

Pivot 0712 12V

Designed with lettering in mind, our slim-profile neon flex combines a patent-pending solderless connector system with an ultra-short 8.3mm cuttable increment for maximum flexibility. Create smooth curves, tighter details and the timeless neon aesthetic with all the benefits of LED.

Product Overview

**Power Output**
9.6 W/m

**Lumens**
330 lm/m

**Colours Available**
2700K, 6500K
R, G, B, P, Y, O

**Dimensions**
7.5mm x 13mm

**Cuttable**
every 8.3mm

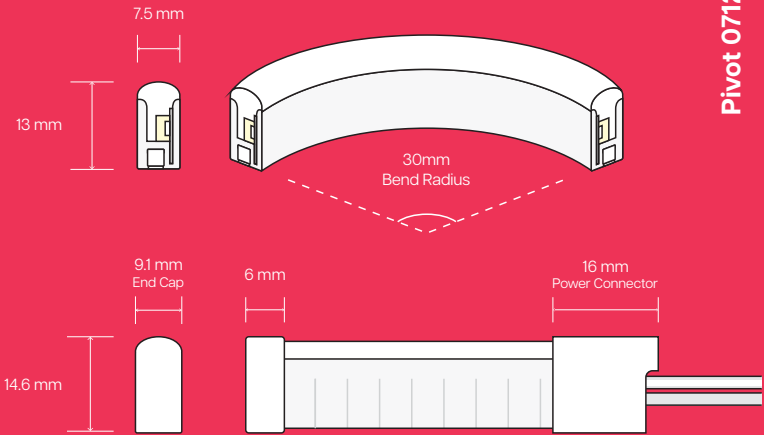

**Ingress Protection**
IP67

**Warranty**
5 Years

**Max Series**
5m

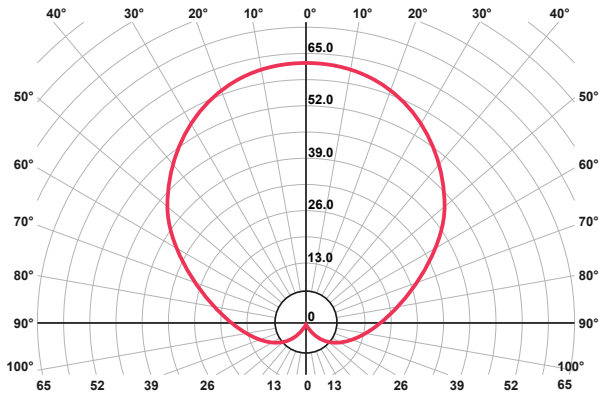

**Operating Temp**
-20°+60°C

**Packaging**
5m Roll
